Weekly Parent Volunteers:

Having 1 - 2 parent volunteers at rehearsal each week is integral to the success of our rehearsals. It helps keep children safe, allows our rehearsals to start on time and run smoothly, etc. Weekly parent volunteers would be asked to arrive at the rehearsal space ½ hour before rehearsal begins, and stay about ½ hour after rehearsal ends. Tasks that would be asked of our weekly volunteers would include such things as:

- **Assisting with chair set up and break down**
- **Assisting with supervising children during rehearsal**
This may mean helping children when/if they need to use the bathroom, helping a child if s/he is sick, having trouble, etc.
- **Assisting children at drop off/pick up time**
Helping children move from arrival into rehearsal space, making sure they sign in on attendance sheets, making sure they have found their parents at pick up time, etc.
